

# My Gift To Jesus Craft

Instructions: Color each picture. Your teacher will help you cut along the rectangle lines and accordion fold to make a fold-out book.

**Think about it!** At Christmas, many people buy gifts to give to each other. With all the gifts, decorations, and special treats, sometimes we forget what Christmas is really celebrating. This special day is to remember Jesus' birthday! Jesus came to earth as a baby, died, and rose again to be our Savior.

What can you give Jesus to say thank you to Him?
