

# Days of Creation

Cut out the shapes from each page. Put all cards face down on the playing surface. Choose another person to play with you. Take turns picking up two cards. Try to get a match (the number that goes with the correct description of what was created that day). The player with the most matches wins.

God divided  
the light  
from the  
darkness.

God created  
the sun, moon,  
and stars.

God  
created the  
fowl of the air  
and the fish.

God  
created  
man  
and  
Animals.

God  
created  
sky  
and water.

God  
created  
dry  
land.
